

please be patient

someone with me has dementia

this means they may seem confused,
forget what you told them, have trouble
understanding, repeat themselves or
even have trouble recognizing people.

what can you do?

please be patient & friendly
speak clearly & not too fast

Thank you for your kindness & understanding!

I've learned that
people will forget what you said.
people will forget what you did.
but people will never forget how you made
them feel.
